

Sexual Harassment & Assault Prevention

4-12 HOURS

Practice dynamic strategies to create respectful and inclusive environments, while increasing awareness of the context and conditions in which assault and harassment thrive and harm all members of the community. Upon completion of the 12-hour training, participants will:

- ✓ Understand the frequency, scope, and damage caused by harassment and assault
- ✓ Recognize sexual harassment and assault and their manifestations
- ✓ Identify who is at risk—either for being harmed or committing the harm
- ✓ Understand the concept of “rape culture” and its manifestations in daily life
- ✓ Recognize and avoid the phenomenon of victim-blaming
- ✓ Demonstrate a range of strategies for effectively interrupting sexual harassment & assault
- ✓ Identify specific policies and practices for preventing sexual harassment & assault
